EXPERIENCE

The University of Mary-Hardin Baylor

Belton, Texas

Information Technology Assistant (Part-Time / Work Study)

August 2025-Present

- Collaborated with IT technicians to install, configure, and maintain computer hardware and peripherals, including desktops, laptops, printers, and network devices.
- Managed office technology relocation, including setting up workstations and network connectivity to ensure seamless device integration and collaboration.
- Assisted with software installation, updates, and troubleshooting for operating systems and university-approved applications.
- Diagnosed and resolved common IT issues such as login problems, system errors, and device malfunctions.

The University of Mary-Hardin Baylor
Web Development Intern

Belton, Texas
December 2024-May 2025

- Developed a personal brand website using HTML, CSS, and JavaScript
- Built a Major Finder web application using a JSON data structure to recommend academic majors based on user input
- Utilized Visual Studio Code for development, testing, and debugging

The University of Mary-Hardin Baylor
Database Management Systems Project

Belton, Texas
December 2024-May 2025

- Designed and implemented a student database using Microsoft Access to track and record IDs, grades, and coursework
- Created relational databases using MySQL through PuTTY terminal access
- Developed a PHP and MySQL web application hosted on Apache to perform CRUD operations
- Deployed and tested applications within a virtual machine environment

ADDITIONAL EXPERIENCE

NCAA Men's Basketball Student-Athlete

August 2022 - Present

- Committed approximately 30 hours per week of athletic commitments with full-time coursework
- Demonstrated teamwork, accountability, leadership, and time management

Summer Camp Counselor, Lifetime Fitness, Allen, TX

Summer 2023/2024

- Led groups of campers ages 4-10 with a fun, positive, and outgoing attitude
- Engaged campers in interactive activities including organized games, arts & crafts, swimming, rock climbing, and weekly field trips
- Promoted nutrition and ensured each camper's safety

Basketball Camp Coach – Regis University, Denver, CO

July 2022

- Led basketball drills and skill development team-building activities
- Encouraged team performance to increase camaraderie, trust, and rapport and positive team culture
